

Guardian Animal contributes over thirty thousand dollars a year to wildlife, adoptions and rescues, but there is much more need than we can supply. In addition to the race helping with community fitness, and celebrating our 32nd anniversary, our 501(c) charitable trust fund is running low. In 2024 we took in over 115 wild animals for treatment. This year alone we have already began releasing rehabilitated raptors from the program, but many more will need our help.
